# Workshops

We hope to provide an increasing number of workshops presented by Guild members as a means of education, enjoyment, and fund-raising for the Guild. Already planned are 2 workshops, one on machine quilting and one on creativity. Please comment on the following ideas, indicating if you would be interested in attending on a scale of 1-3 (1 highly interested, 2 possibly interested, 3 not interested).

## A Shop Hop

Prior Shop Hops were enjoyable for many participants but are not quick nor easy to organize. Is there support for one? As an alternative, would it be feasible to organize a Vendor's Invitational, a sort of inverse shop hop, where a number of vendors would be invited to come and provide demonstrations and sales of their products?

**I have other ideas or comments that don't fit into any slot:**
